WHO WE ARE

OUR STORY

Quickpro, part of TnB Group of Companies from Singapore. In 1998, when business computing started in use, the founder of QuickPro Solutions, Ms. WP Ooi, started to provide business solutions with QuickBooks Accounting software to help SME in Malaysia to automate their business processes.

When cloud hosted (SaaS) application was introduced, QuickPro Solutions started to provide QuickBooks Online in order to accommodate the new technologies.

MISSION

To help accounting executors and accountants to simplify and automate their daily accounting processes, we've helped apply the flexibility of Quickbooks to thousands of the Small Business companies across the industries in Malaysia.

ABOUT QUICKPRO SOLUTIONS

Established since 1998, started as a pioneer in Quickbooks Small Business Accounting business in Malaysia. We are one of the top Intuit Premier Reseller.

We sell more QuickBooks products than any other reseller, and we work with more than 2,000 small and mid-size businesses to assist with conversion, technical services, and general consulting around accounting software and business processes.

We have Certified QuickBooks ProAdvisors on staff with years of experience across a variety of industries. We find time and again that businesses who engage with a knowledgeable, tech-savvy team are more efficient and have deeper insights into the health of their business.

HOW WE HELP SMALL BUSINESSES WITH QUICKBOOKS

ALL-IN-ONE SMALL BUSINESS ACCOUNTING SOFTWARE

Unlike others, QuickPro Solutions' business is, and will be focusing only Intuit QuickBooks - where we live and breathe with QuickBooks since it started in 1998.

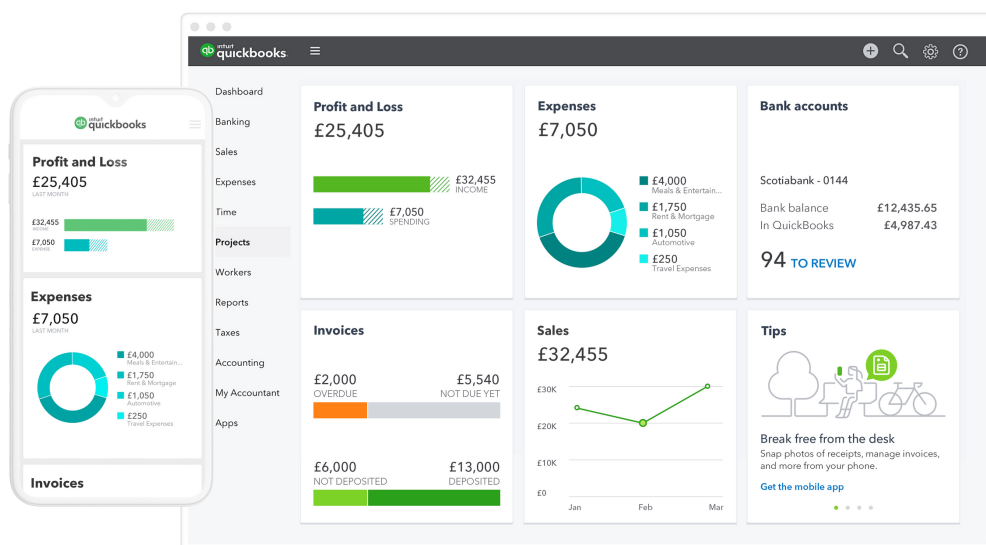

QuickBooks Online gives SME businesses a freedom to work across all your devices.

Users are able to access QuickBooks from PC, Mac, smartphone, and tablet. Now, you can access your account, manage your business, and stay organized on the go

QuickBooks Online is now sync with over 400 popular business apps including CRM, ePOS,

ERP, HCM, E-commerce, payment gateways and more.

Being part of QuickBooks now means being part of the growth of one of the most advanced AI-driven, expert small business financial platforms in the world, giving small businesses the advantage they need to succeed.

“ QUICKBOOKS IS THE WORLD'S #1 BEST-SELLING ONLINE ACCOUNTING APPLICATION WITH OVER 5.6 MILLION CUSTOMERS GLOBALLY. ”

APPS INTEGRATION

QUICKBOOKS + APPS = TIME SAVED

Eliminate data entry and save time by connecting QuickBooks with services and apps that you already use.

CONTINUOUS IMPROVEMENT

Our aim is to exceed our clients' expectations on every level so your comments help us to identify areas which can be improved. We act on comments as soon as they are received and try harder to meet client expectations in the future.

“

I have been using QuickBooks for more than 10 years now. I love the powerful reporting feature in QuickBooks, where it can export any report or list to Microsoft Excel. It can also saves the custom reports, which save a lot of my time in producing the management reports. Excellent service from QuickPro!

”
